

Statement of **JARRETT FISHPAW**, Candidate for
Member, Los Altos City Council

Occupation: Realtor/Los Altos Councilmember

Age:

Education and Qualification:

Los Altos Mayor 2013

M.S. Applied Economics and Finance, UC Santa Cruz

Born and raised in Los Altos, I am enthusiastic to serve. During the last four years, I have promoted and encouraged enhancements to how our city communicates with residents. We have seen a new website deployed, community meetings held throughout the city and a focus on transportation related discussions. I have worked effectively as one member of a larger team, supporting creative solutions from our city staff. I like to approach issues analytically, with the entire community in mind.

Listening to you and working on your behalf is my top priority. If you would like to know more about me, please visit me at my regular office hours, every Sunday, downtown.
