

Los Altos Sculpture Search 2014

Submissions due by September 12, 2014

Join artists from across the US and exhibit your sculpture in the City of Los Altos. The Los Altos Public Arts Commission has launched its annual sculpture search and is now accepting entries for new pieces that will be placed in its downtown business district and in local parks throughout the city.

Size requirements

Sculptures with bases measuring from 3' x 3' to 6' x 6'.

About the Sculpture Loan Program

The City of Los Altos currently showcases 30 sculptures which are placed in downtown, community parks and library locations. Of these sculptures, 17 are city-owned and 13 are part of a two-year loan program. Over the last three years, our loan program has placed ten new sculptures. Each piece and its artist is individually promoted through our city-wide Arts Tour brochure, in local newspapers and on our city website.
