### Discussion:

1. Minutes of August 20, 2008 approved 5-0 (Crook, Fenton)
2. Stevens Creek Trail Task Force:  
Larry reports that VTA requires an approved, up-to-date (less than 3 years old) Bicycle Transportation Plan for grant funding. Main objective is to get funding for SCT engineering study. Bill and Carl to review 2005 revisions and identify areas for change.  
Discussion of whether City Council needs to accept Alta feasibility study.
3. School encouragement programs: Jim Fenton reports that Covington PTA is planning a program.
4. Deodara : no comment from City staff
5. Bike Safety Training: Officer Matt Hartley has offered bike training to schools. So far, no response from schools.
6. Report on Traffic Commission meetings in August: First St pedestrian improvements and Traffic Calming Toolkit.
7. VTA BPAC update: County/VTA BPAC has adopted a new Expressway Plan. This includes plans for 37 miles of pedestrian accommodations, which may include either new sidewalks or parallel streets. No plans for pedestrian facilities on Foothill Expressway north of Edith. Loyola Bridge undercrossing will be widened in 2008-09. This will allow more room for bikes passing under the bridge.
8. Capital Improvement Programs:  
Street surfacing with rubberized capseal planned for University, Orange, Lincoln, Oak e. of Truman. Adobe Creek Bridge still awaiting money from VTA
9. Future Agenda items: 1, 2, 3, 5, 6, 7, 8, bicycle signage, "Cyclo-via"
