5. Stevens Creek Trail Feasibility Study

The subcommittee has set up two focus groups for July 10 and July 12 7:00-9:00 pm at Grant Park. LaNae (Montclair area) is inviting one group, Henry (Oak area) the other. Randy has a discussion packet. Subcommittee should come up with a new name.

Staff hasn't done begun work to find a consultant.

6. Web page

Good job Randy.

7. Adobe Creek Bridge replacement project

Design contract awarded and agreement with Palo Alto executed.

8. Document city standard bike racks (Scott) (Decide)

Racks are hoops, powder black.

Parks commission is supposed to “place” 35 racks. We have 35 for the rest of the city.

9. Off Agenda discussion

Bill gave us update on Liz Kniss meeting about Foothill Expwy issues.

- Foothill and Springer has agreed to restore crosswalk at northwest corner. Sign will be changed to point to ADA path.
- ADA access at Rancho, Massoud says he is talking with Tom Ho to define a project.
- Countdown pedestrian heads: Curtis Cole will ask Tom Ho for cost info. Liz may have some money to buy the heads. Installing may be an issue.
- Pedestrian signs seem to be a dead issue. Only way to turn it around is to find examples of signage at free right turn lanes.
- Liz wants LAH and LA to work together on El Monte.
