AGENDA ITEM # 2

TO: Bicycle/Pedestrian Advisory Commission

FROM: Cedric Novenario, Staff Liaison

SUBJECT: VTA Pedestrian Access to Transit Plan

RECOMMENDATION:

Receive presentation and provide comments to the VTA Pedestrian Access to Transit Plan

BACKGROUND

VTA staff has begun the process of developing a countywide Pedestrian Access to Transit Plan. The plan will inventory and evaluate pedestrian-related access improvements within walking distance of major transit corridors in Santa Clara County, and include an implementation plan for funding and delivering improvements.

DISCUSSION

The plan is anticipated to be completed in fall 2016. As part of the public outreach efforts, for the development of the plan, VTA will present the plan to Los Altos BPAC to raise awareness of this planning effort and receive input about the most pertinent issues affecting pedestrian access to transit in Los Altos.
