AGENDA ITEM # 5

TO: Bicycle/Pedestrian Advisory Commission

FROM: Cedric Novenario, Staff Liaison

SUBJECT: BPAC Calendar

RECOMMENDATION:

Review and provide comments to the proposed BPAC calendar

BACKGROUND

At the regular May meeting, the Commission provided comments to the proposed calendar format. Revisions were made to the calendar and future items were scheduled by the BPAC Chair and Staff Liaison.

DISCUSSION

Attached is the revised formant for the BPAC calendar. This will be a living document where changes to the schedule can be made at any time. The Commission will also not be held to the dates scheduled as they are only for planning purposes. The Chair and Staff Liaison will schedule routine topics going forward. Other issues/topics will be scheduled when they are known and ready for review.
