AGENDA ITEM # 4

TO: Environmental Commission
FROM: J. Logan, Staff Liaison
SUBJECT: Environmental Commission and City Council Joint Meeting

RECOMMENDATION:

Request a Joint Meeting of the Environmental Commission with Council

BACKGROUND

On a scheduled annual basis, the City Council sets aside two meetings in March to meet with the various City Commissions and Committees. These meetings occur immediately following the appointment of new Commissioners and Committee members. This is an opportunity to discuss with Council the Commission/Committee annual accomplishments and discuss and determine project and topic priorities for the year and that are within the Commission/Committees' subject matter jurisdiction.

DISCUSSION

City Council scheduled Joint Meetings with Commissions/Committees on March 3 and March 17, 2015 starting at 5:30 pm for approximately forty-five minutes to one hour.

The Commission needs to determine if it will request a Joint Meeting and discuss the topics, information and direction needed from Council. The Joint Meeting is an excellent opportunity to discuss with the Council the 2014/15 Environmental Commission Work Plan Accomplishments and the 2015/16 Work Plan goals and projects.
