### Discussion

Old Business

1. **“The Project” Review** – Commissioner Lin felt that the event was slow at the beginning but then picked up later. People who attended liked the event and were asking when another would be held. Commissioner Samani felt that having fliers for the next event at the end would be good promotion. Commissioner Lorell felt that there should be signs pointing the way for people who might have a hard time finding the location. He felt that a map on the flier might help also. Commissioner Miller feels that if it continues to go well that more people will hear about it and that will bring in more people. Commissioner Lin felt that publicity will be a key part for future events. Overall commissioners felt that it was successful.
2. **Palo Alto veteran’s Hospital Crafts Faire** – The event is on December 5, 2001. Commissioners will meet at Hillview at 6pm. Some commissioners will meet on December 3 to pick-up supplies.
3. **Bingo Night (11/21/01?)** – There is no Bingo Night scheduled this time.
4. **City Council Study Session Review – Motion by Commissioner Lorell to table this issue until the next meeting. Second by Commissioner Garcia. Unanimous.**
