Discussion

Commissioners welcomed new Youth Commissioner, Stephanie Wu from Homestead High School.

Old Business

1. **Underground High School Event** – This subject was discussed at the end of the meeting. The event will be called “Project C”. The event will be held on Friday, October 13, if the Garden House is not being used. Robert Acosta instructed the commission that this was their event, and that they had to do the work to get it off the ground. Commissioners agreed that they would do that. On the 13th, the event will go from 8pm until as late as they are allowed to stay. Commissioners will also look for demo tapes from anyone who wants to DJ the event. There was a special meeting called for next week (9/13) at the Underground to continue discussing this event.
2. **“The Night”** – The event will basically be the same as it has been in the past two years, scheduled for November 17. It will still be called “The Night”. Commissioners agreed that there needed to be more advertising for the event. It was also agreed that we would try to get Wild 94.9 to DJ the event again.
3. **Band Night** – Would still like to try doing this event, but it was agreed that everyone must hear demo tapes before they tell any bands that they could play. This event will be discussed more as the date gets closer.

New Business

4. **Speaker’s Forum (New Topic)** – It was decided that the New forum be held in the beginning of November, possibly November 2. The commissioners would like the topic to be eating disorders, and they would like Robert Acosta to contact the Community Health Awareness Council (CHAC) to help find a speaker.

Adjournment

The meeting was adjourned at 9:16pm
