

Los Altos Community Center Master Plan Project

Planning for Tomorrow

Vision

Service

Services will be safe, convenient and comprehensive.

Environment

Environments will support play, learning and gathering and will be configured to connect with the downtown village. Modern facilities that are both adequate and useful to the community, with striking architecture that is low in profile, will be located in a beautiful park-like setting.

Experience

The Los Altos Community Center will provide a community experience that will serve your public for the next 50 years.

18 Acres of Possibilities

Goals of the Master Plan Development

The following Key Elements were identified by the Advisory Committee at the beginning of the process, largely from benchmarking of other community center sites and direction of the City Council:

- Incorporate Library Expansion
- Expansion of Programs
 - Provide New Recreational Uses
 - Expand Community Programs
 - Improve Senior & Youth Programs
- Promote Los Altos History
- Develop New, Green Facilities
- Invigorate the Downtown Village through Visual, Pedestrian & Parking Links
- Lead a Strong & Successful Community Process to Build Advocacy for a Future Bond Measure
- Aesthetic of the Architecture is Important
- Space for Expanded Program & Staffing
- Meaningful Incorporation of the Town of Los Altos Hills Community in the Master Plan Process
