AGENDA ITEM # 5

TO: Bicycle/Pedestrian Advisory Commission

FROM: Cedric Novenario, Staff Liaison

SUBJECT: Annual Street Striping, Project 14-11

RECOMMENDATION:

Receive information and discuss potential traffic striping additions.

BACKGROUND

CIP Project 14-11 is this year's striping project. Striping projects are performed on an annual basis for locations following a street rehab project.

DISCUSSION

The striping locations are: (see attached for graphical representation)

- Los Altos Ave
- Cuesta Drive
- University Ave
- Covington Road
- Riverside Drive
- Miramonte Ave
- Dolores Ave
- Carmel Terrace
- Altamead Dr
- Morton Ave
- Newcastle Dr
- Fallen Leaf Lane

Staff compared the Bicycle Transportation Plan (BTP) to these street sections for potential improvements. The following streets will incorporate Shared Lane Markings per the BTP:

- Los Altos Ave between El Camino Real and Los Altos-Palo Alto Bike Path
- Distel Drive between El Camino Real and Marich Way
- W. Edith Ave between the bridge and San Antonio Rd

- Cuesta Drive between San Antonio Rd and Springer Rd
- University Ave between Lincoln Ave and El Monte Ave

The commission is invited to provide additional suggestions for consideration for striping at the locations stated above.
