**SUBJECT**: Bike to Work Day

## **RECOMMENDATION:**

Receive information regarding Bike to Work Day

## **BACKGROUND**

As a part of its Community Outreach goal, the Los Altos BPAC hosts an Energizer Station in downtown Los Altos in support of the Silicon Valley Bike Coalition's annual Bike to Work Day event.

## **DISCUSSION**

This year's event is Thursday, May 14<sup>th</sup>. In past years, BPAC members set up and host the Energizer station at Lincoln Park along Foothill Expressway from 6:15 am – 9:00. The BPAC greet riders, provide cycle-related information, food, refreshments and conduct a cyclist count (north and southbound). SVBC donates musette bags filled with information on cycling and other materials.

This discussion is to confirm the Commission's participation for this event.
