AGENDA ITEM # 2

TO: Bicycle/Pedestrian Advisory Commission
FROM: Cedric Novenario, Staff Liaison
SUBJECT: Bicycle/Pedestrian Education – Event Planning

RECOMMENDATION:

Review and recommend bicycle and pedestrian education material for Back to School Packets

BACKGROUND

Los Altos School District and Montclair Elementary School distribute Back to School Packets at the beginning of the school year. These packets contain school related information for the upcoming year.

DISCUSSION

The BPAC was requested to provide bicycle and pedestrian safety related material to be included in the packets, which are distributed in mid-August. The following safety materials for review are (see attachments):

- Helmet fitting instructions (NHTSA flyer)
- ABC Quick Check
- Safe Riding Tips (TSCN brochure)

Staff will also include the suggested route to school maps in the packets. Staff requests a review and approval of the education material.
