AGENDA ITEM # 2

TO: Bicycle/Pedestrian Advisory Commission
FROM: Susanna Chan, Staff Liaison
SUBJECT: Commission Jurisdiction over Transportation Update

RECOMMENDATION:

Receive an update on changing commission jurisdiction over transportation

BACKGROUND

At its meeting of March 28, 2016, the City Council indicated a desire to transfer jurisdiction for advising the City Council on transportation matters from the Planning and Transportation Commission to the Bicycle and Pedestrian Advisory Commission (BPAC). The City Council directed Councilmembers Jeannie Bruins and Lynette Lee Eng to work with staff to develop the municipal code amendments necessary to make this change.

BPAC discussed this topic at its April 26, 2017 meeting. Councilmember Bruins, as the Council liaison to BPAC, participated in the discussion.

DISCUSSION

Staff will provide a verbal update on changing commission jurisdiction over transportation.
