TO: Bicycle/Pedestrian Advisory Commission

FROM: Susanna Chan, Staff Liaison

SUBJECT: Traffic Enforcement Overview

RECOMMENDATION:

Receive a presentation from the Police Department regarding traffic enforcement

BACKGROUND

The Police Department is a vibrant, progressive, and professional organization dedicated to fostering and maintaining community partnerships. Traffic safety is one of the core services of the Department. Traffic enforcement is provided by a traffic operation team led by a Traffic Sergeant and supported by an Agent and two Traffic Officers.

DISCUSSION

At the June 28, 2017 Bicycle/Pedestrian Advisory Commission meeting, some commissioners expressed interest in better understanding traffic enforcement in the City and would like to receive a presentation from the Police Department. In response to this request, Sergeant Liz Checke and Agent Eric Brooks will provide an overview of traffic enforcement and will be available for questions at the July 25, 2017 meeting.
