CITY OF LOS ALTOS CA

## Education and Qualifications:

BS Chemistry University of Maryland, MBA San Jose State University

Los Altos has been my home for 24 years, and I raised my children here. I treasure the charm and warmth of our town and have spent the past decade dedicated to serving our community including as:

Chair, Planning Commission  
Chair, Design Review Commission  
Co-Chair, El Camino Hospital Community Advisory Council  
Board President, Mentor Tutor Connection  
Board of Directors, Los Altos Rotary Club

I am running because we need experienced, value-driven leaders who have a vision for Los Altos today and also accept responsibility and stewardship for tomorrow. I will listen respectfully to input from all stakeholders and engage in a fair, transparent and collaborative decision-making process.

Throughout my career I was responsible for strategic planning and for assessing the long-term potential of medicines in research and development, giving me invaluable experience in planning today to deliver results tomorrow. I am well prepared to make constructive, data-driven decisions in the best interests of our whole community.
