CITY OF LOS ALTOS CA

## Education and Qualifications:

I have lived in Los Altos for nearly three decades. As current Chairman of the city's Financial Commission, local realtor, prior Los Altos business owner and tech executive, I understand how our city runs - our strengths and our challenges. I believe in the power of community and my sense of obligation to serve my co-residents manifests in my bid to be a Los Altos City Council member.

With an uncertain economy looming, we need knowledgeable, fiscally responsible fiduciaries guiding our city. I am running to promote financial stability and a sense of belonging in all Los Altans. Over the past several years I've worked alongside our community leaders to address a range of financial issues which have had a lasting impact on our city and its people.

If elected, I intend to work with our City staff to elevate community service levels, increase vibrancy of local businesses, and shape our infrastructure and public spaces to maintain Los Altos as a great place to live.

I will work to include the perspectives of all parties involved to negotiate favorable outcomes. As your council member, I will bring a diplomatic and collaborative leadership approach in service of all Los Altans.
