## Education and Qualifications:

Former Mayor and City Councilmember; Parks and Recreation Commissioner, 11 years; Santa Clara County Civil Grand Juror, 2 terms; B.S., University of San Francisco.

During many years as a dedicated resident and council member, I implemented the Grant Park Senior Program, started the Los Altos Summer Concert Series, increased the number of school crossing guards, restored street repair and traffic safety funds, and led the adoption of a strong 5G ordinance protecting residential neighborhoods, parks and schools.

Our city now faces challenging times. The pandemic, social injustices and an uncertain economy require steady, proven leadership.

I will maintain my focus on fiscal responsibility and public safety as essential foundations for the well-being of all residents.

I will promote the expansion of our parklands and ongoing maintenance of our public spaces and facilities.

I will advocate for much-needed affordable housing, while maintaining local control and community standards in the face of overreaching state laws.

You can depend on me to be your champion for transparency, integrity, and accountability in our city government, while promoting diversity.

I would be honored to have your support for my re-election.  
I ask for your vote to keep Los Altos a wonderful place to live, work and raise a family.
