Subject: Tentative Council Calendar

Purpose

Quarterly review of the Tentative Council Calendar.

Background

The Tentative Council Calendar is a planning tool used to identify and prioritize items for consideration by the City Council.

Discussion/Analysis

The Council Norms and Procedures stipulate that during the first Council meeting in January, April, July and October, the City Council review the Tentative Council Calendar.

Items suggested for placement on the Tentative Council Calendar require support from two Council members if no staff work is required and three Council members if staff work is required. Council and staff must agree where any new item is placed on the Calendar.

The attached Tentative Council Calendar reflects staff recommendations regarding the planned timing of upcoming agenda items. As noted, all items and dates are tentative and subject to change unless a specific date has been noticed for a legally public hearing.

Options

- 1) Review the Tentative Council Calendar and provide direction on placement of items on the Calendar

Advantages: The option provides staff with a prioritization of those items on the Tentative Council Calendar and allows the Council to add or remove items

Disadvantages: None identified

- 2) Defer the quarterly review to the next quarter

Advantages: None identified

Disadvantages: Items which may be a priority to the Council may be deferred to after the next review

Recommendation

The staff recommends Option 1.

City of Los Altos Tentative Council Agenda Calendar
