Council Members,

The following email was received by staff regarding the R3-4.5 Multiple Family District zoning amendment item on the 8/27 Council agenda. It was unclear if this email was already sent to Council Members directly, if so, I apologize for the duplication.

Thanks,

Dear Mr. Golden and Honorable City Council Members:

We are the owners of the duplex at  
We actually live in one of the two units. We like the area and the neighborhood.  
We support the Zoning Code Text Amendment to the R3-4.5 Multiple-Family district (Zoning Code Chapter 14.16) and urge the Council Members to approve it because the amendment would allow the property owners to make improvement to the property and the neighborhood to make it a better place to live  
We'd also like to express our gratitude and appreciation to the hard work of the planning staffs, the planning commission members and the Council Members.

Thank You All.

Best Regards
