Sub-committee updates

E. Alternative options to reduce parking demand (G. Hedden/M. McTighe)

Gary Hedden presented the efforts of the sub-committee thus far and distributed a draft survey to be distributed among employees in the Downtown. Committee members provided feedback on the draft survey and discussed tying alternatives to reduce parking demand to parking ratios and a potential parking in-lieu program.

Comments were heard from Jerry Sorensen.

D. Parking in-Lieu program (R. Bodner/K. Cranston/M. Rogge)

Kim Cranston reported the subcommittee would provide a draft recommendation to the committee at the July 1 meeting.

C. Parking stall standards (B. Maston/D. Rock)

Bill Maston distributed a parking layout model for Parking Plaza 8 as a first analysis of re-striping a plaza with different stall standards. Committee members provided suggestions for further analysis to be considered within the model.

Comments were heard from Bart Nelson, Penny Lave, Abby Ahrens and Ted Sorensen.

A. Measuring square footage (M. McTighe/B. Maston)

Bill Maston reported a recommendation from the subcommittee would be presented at a future meeting.

B. Parking ratios (D. Rock/M. Rogge)

Mark Rogge and David Rock presented an analysis of restaurant parking ratios and a recommendation of 9 spaces per 1,000 square feet of building space. They further reported that the subcommittee is formulating a table to present overall ratios for a future meeting.

Comments were heard from Ted Sorensen and Jerry Sorensen.
