MEMORANDUM

DATE: October 21, 2020
TO: Citizens' Police Task Force
FROM: City Staff
SUBJECT: SCHOOL RESOURCE OFFICER (SRO) PROGRAM

Following the October 14, 2020 Task Force meeting, City staff reached out to Mountain View-Los Altos Union School District staff regarding having representatives from the District attend a Task Force meeting to discuss the SRO program and its role at Los Altos High School (LAHS). Staff is continuing to work with District representatives to schedule these interviews.

At the October 14, 2020 Task Force meeting, the Task Force requested data regarding mental health calls at the LAHS, quantity of calls that were responded to by the SRO compared to calls where non-SROs responded, total time SRO spends on campus, calls where Mountain View Police Department responded to, and all SRO citations issued at LAHS from the 2017-18 school year to March 2020. City staff is compiling this data and will distribute it to the Task Force upon completion.

At the October 14, 2020 Task Force meeting, the Task Force assigned members Curtis Cole, Janet Corrigan and Renee Rashid to draft questionnaires to be sent to students and faculty of LAHS regarding their knowledge of and interactions with the SRO. The first drafts of these questionnaires are attached. The Task Force will need to work with MVLA staff to distribute any questionnaires to LAHS students and/or faculty.
