We do not support any group proposing any development on City land or elsewhere in Los Altos; without full communication with the City Council and dissemination to all the residents and citizens of Los Altos. All citizens must be knowledgeable about any plans that impact them, as they are the tax payers, who support any improvements. The city of Los Altos has an open government policy and therefore all meetings regarding the future of Los Altos must be open and available for the public. All Brown Act rules must be followed!

thank you.
