Subject: PUBLIC COMMENT AGENDA ITEM 2 - 10.26.2021 STUDY SESSSION
Date: Monday, October 25, 2021 9:28:56 PM

Please make sure that future meetings concerning the City's Housing Element are well-publicized. The state mandate requires that you reach out to underrepresented people who have a stake in any plans that Los Altos makes for new housing.

Your outreach must include people who work in Los Altos. When you schedule a meeting, it is critically important that you invite grocery store workers, school workers, restaurant workers, and churches.

Thank you for your efforts in this very important matter.
