

Proclamation

Of the Mayor

Of the City of Los Altos, California

WHEREAS, this year marks the 54th anniversary of the Earth Day movement; and

WHEREAS, the City Council recognizes the importance of caring for the planet, protecting the environment, and preserving its resources; and

WHEREAS, in March 2022, the City Council updated the Los Altos Climate Action and Adaptation Plan that sets measures to reduce greenhouse gas emissions within the City; and

WHEREAS, in August 2023, the City was presented with four Institute for Local Government Beacon Program Spotlight awards for its significant and voluntary reductions in greenhouse gas output for the award from 2015 to 2018; and

WHEREAS, in 2023, the City received numerous grants towards sustainability projects such as installing solar lighting and electric bike parking downtown, and creating an innovative energy demonstration center; and

WHEREAS, on March 23, 2024, the City held its 2nd Annual Destination Electric: A Los Altos EV Showcase that introduced residents to sustainable transportation options and ways to electrify their homes; and

WHEREAS, Environmental Sustainability is one of the City Council's 2024 Strategic Goals; and

NOW, THEREFORE, I, Jonathan D. Weinberg, Mayor of the City of Los Altos, California, do hereby proclaim April 22, 2024, to be

“EARTH DAY”

in Los Altos, California, and encourage all community members to join in this special observance.

Jonathan D. Weinberg, MAYOR
