RE: Approval Decision: Applications for Small Wireless Facilities (SWF) located at:

- **LOSA0\_04, 33 Pine Ln, New SWF, WF23-00014**

Dear Applicant,

This letter is to inform you that the Wireless Facilities Permit Application for the installation of a small wireless facility at the above referenced address is approved.

The above referenced application is for a wireless facility to be placed on an existing pole and with equipment mounted on the pole in the public right-of-way in an area of the City zoned as residential. Upon thorough examination of the application, it is determined that the proposed small wireless facility meets all the necessary requirements and standards stipulated by the City. We commend Modus REX LLC and AT&T for their commitment to adhering to the prescribed guidelines and regulations throughout this application process.

Please be aware that this approval is contingent upon strict compliance with all conditions and requirements outlined in the permit application, as well as any associated documentation. The City emphasizes the utmost importance of adhering to these conditions throughout the installation, operation, and maintenance phases of the wireless facilities.

Should you have any questions or require further clarification regarding the terms of this approval, please do not hesitate to contact Vency Woo via email at [vwoo@losaltosca.gov](mailto:vwoo@losaltosca.gov) or by phone at (650) 947-2622.

Once again, we commend your unwavering dedication to meeting the requirements of the Wireless Facilities Permit Application, and we eagerly anticipate a successful collaboration

Application Approval – AT&T Small Wireless Facilities
