

ZONE 2 NEIGHBORHOOD COMMUNITY ENGAGEMENT MEETING SUMMARY

Wednesday, November 20th – 7:00pm – 8:30pm

Grant Park Multi-purpose Room

SUMMARY

Issues:

- Neighbor doesn't trim stop sign, what should I do?
- How do I see if I'm in a BAT?
 - <https://losaltosbat.org/map/>
- Who do we call if we think people have started using our street to cut traffic?
 - Report it to our traffic division - <https://www.losaltosca.gov/police/webform/online-traffic-complaint-form>
- Homestead and Fallen Leaf should have a traffic light because it is very dangerous
- The City should create a developed walking path on Fremont
 - Visit us at <https://www.losaltosca.gov/community/page/open-city-hall> to provide your input (this input has been noted)
- What about roundabouts?
 - We do not have any plans to put roundabouts in, but visit the link above to tell us your input.
- How long will it take for Fremont to be done?
 - The project is currently in the design phase, but once construction is started, we should have better idea of how long it will take.
- Are there any ideas for crossings by Truman and Fallen Leaf?
- Residents love the vegetation on Fremont
- Is there any discussion about adding bike lanes to Fallen Leaf?
 - We are getting ready to amend our complete streets plan so this could be an idea.
- The City should have bought Loyola Corners and turned it into a green space
- Loyola Corners is dangerous because it blocks vision and there are no bike lanes.
- Loyola Corners will increase traffic in the area.
