**Subject:** Restrictions on the City Owned Property Commonly Known as the Los Altos Community Center Site

---

**Summary:**

The addition Chapter 11.13, entitled “Restrictions on the City-Owned properties collectively referred to as the Los Altos Community Center site, to Title 11, Miscellaneous Property Regulations puts in place a requirement for voter approval of the sale or transfer of title of all or a portion of the site, unless the ordinance is repealed or amended by a future City Council.

**Staff Recommendation:**

Staff recommends adoption of this ordinance.

**Purpose**

The City Council has expressed an interest in enacting rules that would limit the City’s ability to sell or transfer title of any portion of the Los Altos Community Center site, including the portion of the site known as Hillview Park.

**Background**

At its meeting on November 9, 2021, the City Council introduced an ordinance that adds Chapter 11.13, entitled “Restrictions on the City-Owned properties collectively referred to as the Los Altos Community Center Site”, to Title 11, Miscellaneous Property Regulations, which puts in place a requirement for voter approval of the sale or transfer of title of all or a portion of the Community Center site, unless the ordinance is repealed or amended by a future City Council.

In introducing the ordinance, the following amendments were made:

1. Deletion of the subdivision references.
2. Addition of “Whereas” statements for the following existing buildings/uses found on the Community Center site:
  - The Los Altos Youth Center (LAYC)
  - The Green Spaces and Playfields
  - The Neutra House

The ordinance attached with this agenda report, in both a track changes and clean version, has these amendments.

This ordinance is specific to Los Altos Community Center site and is not applicable to other properties the City owns. To further demonstrate Chapter 11.13 applies only the Los Altos

Community Center site, an exhibit that includes a diagram of all portions of the Los Altos Community Center site is included as part of the ordinance. For the above reasons, staff believes the draft ordinance accomplishes the direction of the City Council and puts in place protections for this important City owned property.

**Discussion**

The City Council is being asked to adopt the attached ordinance.

Note that no substantive changes may be made between the time that an ordinance is introduced and its adoption. Making substantive changes to the ordinance, and introducing the new ordinance, would require that the ordinance return at a future Council meeting for adoption.

**Staff Recommendation**

Staff recommends adoption of this ordinance.
