

CITY of LOS ALTOS BUILDING DIVISION COVID 19 SCREENING
for
CONSTRUCTION INSPECTIONS

The screening procedures will apply to all job sites at which a City of Los Altos Building Division construction inspection will be conducted.

Upon arrival at a job site – the inspector will ask the following questions of the site representative:

- Have all the Small Construction Project or Large Construction Project Safety Protocols been implemented and complied with? (Yes – OK)
- Is anyone at the job site experiencing temperatures of 100 degrees or greater? (No - OK)
- Has anyone on the Job site been exposed to a person with a confirmed case of COVID-19? (No - OK)
- If so, has it been more than two weeks since the time of the exposure? (Yes - OK)
- Is anyone on the job site experiencing any of the following symptoms consistent with COVID-19? (No - OK)
 - Cough
 - Shortness of breath
 - Chills

If the answer to any of the questions is not OK, the inspector shall cancel the inspection and inform the site representative to reschedule an inspection only after all the above complied with.
