Subject: 809 Arroyo Road (Application No. 1107449)

Dear Ms. Davis:

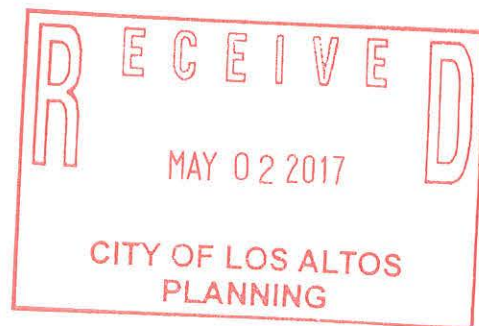

This letter is intended to provide input on the proposed new home construction for 809 Arroyo Rd. We are next-door neighbors of the homeowners (the Greathouses).

Our street (Arroyo Rd.) is one that has been in transition for some time now as more homeowners replace the original 1950's vintage homes with new construction. The Greathouses have reviewed their new home plans with us and we would like to express our support for their project. We are in favor of the plans as submitted to the City of Los Altos and feel that the Greathouses' new construction will certainly add to the attractiveness of our neighborhood.

Thank you for your consideration of this support. Please feel free to contact us if you have any questions.
