House Design at 216 Sunkist Lane

W. Chen and Z Wang

We are Ed and Sara Roos; we live at 345 Almond Ave, which is adjacent to the 216 Sunkist Lane home, which is before the Design Review Commission today at 7 PM.

We have the following concerns with the current project:

- the home will be 10 feet from the property line - this is too close.
- second story windows invade our privacy

We plan to attend the Design Review.
