

166 LYELL ST

Dear Planning Commissioners  
City of Los Altos

My name is [Richard Yamaguma](#), and I live at 175 Lyell St, Los Altos. My property is directly across 166 Lyell, where the new home is being proposed. The owners have approached and shown us their plans and we believe this would be a beautiful addition to the neighborhood. I and my family are supportive of this project and looking forward to having it completed.

Thank you,
