Re: Chan Family Building Plans for 581 University Ave., Los Altos

Dear Chair and Members of the Design Review Commission:

My name is Pinky Whelan, and I am direct alley neighbors to Albert and Cam Chan for the last 10 years. Albert and Cam have updated me on their plans for 581 University on a regular basis since they purchase the property 3 years ago.

Two weeks ago, they updated me again on their new plans and Cam walk through the design in detail.

As a cross alley neighbor to their new house at 581 University, I have no objections to their proposed plans. I would urge you to approve their project as it does not require any exceptions, and does not have any ordinance variances.

Please allow the Chan to move forward with their project as soon as possible.

Thank you very much for your time.

Sincerely,
