

DATE: April 13, 2015

AGENDA ITEM # 2

TO: Environmental Commission

FROM: J. Logan, Staff Liaison

SUBJECT: Water Conservation

RECOMMENDATION:

Review and discuss water consumption and conservation efforts

BACKGROUND

The Environmental Commission appointed a Subcommittee to determine methods for achieving the State's goals for reductions in water consumption. To this effort, the Subcommittee continues to: 1) review and report on water conservation efforts within Santa Clara County; 2) explore model water conservation ordinances and enforcement procedures; 3) gather water consumption data from the City of Los Altos water retailer, Cal Water; 4) formulate water consumption data to display annual and monthly usage in the Climate Action Plan Dashboard; 5) provide education and outreach efforts to residents and commercial establishments in Los Altos; 6) utilize resources from the Santa Clara County Valley Water District; 7) analyze the provisions in the current City of Los Altos Water Conservation Resolution to determine the effectiveness of water reduction efforts.

At the Environmental Commission/Council Joint Meeting on March 17, 2015, Council advised the Commission that water conservation for the City is a major priority. Council encouraged the Commission to continue its Work Plan goal and projects on water conservation and to advise Council on the actions needed to attain the State's water reduction goals.

The Subcommittee efforts continue to provide reports to the Commission that result in discussions and lead to the formulation of recommendations to Council.

DISCUSSION

In September 2014, the Subcommittee began to explore opportunities for CalWater, Purissima Hills Water District, the Town of Los Altos Hills and the City of Los Altos Environmental Commission to work together on the topic of Water Innovation for a public education and outreach effort to the joint communities. The Water Innovation seminar was held on March 12, 2015. The Subcommittee will give its report about the seminar at the April 13, 2015 Environmental Commission meeting.

The Subcommittee and Staff Liaison continue to work with Cal Water (Attachment A), and the Santa Clara Valley Water District on local efforts, and data collection and initiatives for water usage reduction and conservation. Rachael Gibson, Office of Government Relations, Santa Clara Valley

Water District, will give a presentation on water conservation efforts at the April 13, 2015 Environmental Commission meeting.

In addition, City staff attended a webinar hosted by the Office of the Governor regarding the Governor's Executive Order for water conservation and new goals set by the State for 25% reduction in water consumption, (Attachment B). Staff will provide a briefing on the webinar.
