3. Building Electrification and EV Infrastructure Reach Codes

Received updates from Commissioners Tekslar and Weiden on community feedback and results of both surveys and discussed the draft Reach Code ordinances and next steps for Reach Code ordinance recommendation.

Public Comment:

- Los Altos residents, Connie Miller, expressed support for the commission to follow the Council's direction from November 2019 and move forward with the All-Electric Reach Code Ordinance and eliminate conditional exception 1 in the draft ordinance.
- Los Altos resident, Gary Hedden was satisfied that the surveys and feedback to date provides the commission with enough information to make a solid recommendation for an All-Electric Reach Code to take to the Council as it will align with the State's goals.

Action: Upon motion by Commissioner Yuan, seconded by Commissioner Delagneau the Environmental Commission recommended presentation of an All-Electric Reach Code Ordinance to Council.

Commissioner Weiden offered an amendment to the motion, which was accepted, that the Environmental Commission give the Reach Code Subcommittee the authority to edit and finalize the form of the Reach Code Ordinance and develop an accompanying report that will be presented to Council. The motion, as amended, passed unanimously.
