Once the contract is executed, work will commence with a targeted completion of December 2018. The Financial Commission's role will be to review the draft report prior to the CAP & User Fee going to City Council in February/March 2019. Since it has been more than four years since the last study was conducted, there may be dramatic change in some fees. Council will have discretion of whether to alter the City's fees for the next Fiscal Year. Revised fees will be incorporated July 1, 2019.

Commissioners Kalkat, McClatchie, and Richmond convened the CalPERS Unfunded Liability Subcommittee. The subcommittee's goal will be to analyze the City's unfunded liability and determine an achievable amount to set aside annually to pay into a PERS reserve and determine which fund to pay down first. The subcommittee will meet as need and report back to City Council in the Winter of 2019.

The updated workplan will be reviewed with Council at a joint meeting on October 23rd, 2018 at 8:15 PM in Council Chambers.
