AGENDA ITEM # 3

**TO:** Library Commission

**FROM:** Jaime Chew, Interim Recreation & Community Services Director

**SUBJECT:** Support of Friends of the Library Space Request

---

### **BACKGROUND**

At the April Library Commission meeting, the Friends of the Library provided an overview of their history and current operations. In addition, they outlined their current collaboration with City Staff to find additional space on the Civic Center Campus to allow them to continue their current business model once the Hillview Community Center is demolished. The Friends of the Library are currently requesting that the Library Commission recommend support for their request of the City for additional space.

### **DISCUSSION**

The Library Commission will need to discuss the Friends of the Library request, and determine whether or not to recommend support for their request of the City.
