 Find	1. The library is wonderful. The classes at Hillview are very good even though the facility is not in great condition. The senior center does as well as it can given the limited rooms and money allocated to it. I also go to the Mountain View Senior Center and the comparison is great. The exercise room at Mountain View Senior Center is something that would be nice to have in Los Altos.	Sat, 3/22/08 10:34 PM

 Find	3. I'd love to have a great swimming pool and lots of trails and parks.	Sat, 3/22/08 5:45 PM
 Find	4. The Hillview Center should be demolished and rebuilt. It is in terrible disrepair.	Sat, 3/22/08 3:52 PM
 Find	5. History House is new, clean and nicely staffed and displayed. Great programs and events. I used to use the library a lot, and found it not to have much that I needed. It has been redone since then. The Senior Center and Hillview Center are a disgrace, especially for a city with a population like ours in age and wealth. Little House and Avenidas put us to shame.  Find	6. The library is fantastic! It has served our growing family needs very well. The children's section is well stocked and our toddler especially enjoys story time.	Sat, 3/22/08 2:13 PM
 Find	7. I would love to see more classes offered through the Parks & Rec department. Hillview Center is old and run down, especially when compared to other city Community Centers like Cupertino. I know other parents who choose not to take classes through Los Altos Parks & Rec because Hillview is so run down. I switched my daughter from "My First Art Class" in Los Altos to Cupertino in part because Hillview doesn't have warm running water in the classroom. I would love to see more family community events like the art fairs, easter egg hunt, etc. The easter egg hunt (which was today Sat, Mar 21st) needs to be improved. The "Walking to 4 years old" group is too big a range. The just walking and 2 year olds get plowed over by the 3 and 4 years olds. This year there weren't enough eggs in the 0-4 group for all the kids. Several kids didn't get any eggs. Our family was looking forward to seeing the animals from Hidden Villa and the Easter Bunny like last year, but they weren't at the egg hunt this year. The sound system at the egg hunt was also bad. We could not hear any of the announcements that were being made.	Sat, 3/22/08 1:15 PM
 Find	8. The Library is a critical part of Los Altos, and the Civic Center. Because it is used so much, and is now space and technology limited, it needs to be considered as a moderately high priority facility. The Library Staff have done amazing things with the facility they have, but they need more space to add to the collection, receive materials, improve study rooms, ... The most critical facility thatr does not work is Hillview Community Center. It is in very bad repair, does not have enought space for storage, and does not	Fri, 3/21/08 11:54 PM

- serve the agencies ther very well. The Staff are doing their best in am old facility. The residents of Los Altos deserve a clean, safe, and comfortable place as their Civic Center.

-  Find **10.** We've been very satisfied with the programs at Redwood Grove. Far less satisfied with the other youth programs. We tried a Karate class a couple of years ago and it didn't go well at all for our daughter. Haven't tried one since. Also used to be a volunteer with Bus Barn -- but having kids slowed me down. So -- I've put satisfied as the program was great, I just don't have the time to participate or enjoy it. Fri, 3/21/08 9:24 PM
-  Find **11.** Please note I am very satisfied with Library and Bus Barn, but their facilities could be improved. The folks who manage these services do a tremendous job with what they have as facilities. Fri, 3/21/08 9:17 PM

-  Find **19.** My children go to Children's Corner preschool in Hillview center. We love the preschool and the location so close to the library and downtown. Fri, 3/21/08 10:53 AM
-  Find **20.** Hi I don't see "Childrens Corner" on the list. I have two children in Children's Corner daycare which is located in Hillview Community Center. Because I drop off my children at Childrens Corner daily, that is why I use the library to do work while my children is in Childrens Corner and that is why I use the park and recreation after I pick up my children from Childrens Corner.  Find	<b>22.</b> Hi, Our children enjoy Children's Corner Preschool. My older son who is in Santa Rita went to Children's Corner and this preschool has a great reputation amongst Santa Rita stuff. One Administrative member of the district said 'Childrens Corner' is a warm and nurturing, play-based learning environment. Do not take this school away from the families. The Los Altos School District has made past mistakes by closing and selling off school sites. Providing good learning institutes are a must for communities and needs to be ranked high on the priority list.	Fri, 3/21/08 9:10 AM
 Find	<b>23.</b> CHILDREN'S CORNER PRESCHOOL is what I use and love daily but it is not on this list. (Didn't know if it was "youth programs" or "Hillview Center". Just know that CHILDREN'S CORNER is a huge asset to our community center and is a beloved place.	Fri, 3/21/08 6:32 AM

 Find	<b>25.</b> Children's corner is a great pre-school and offers a unique developmental program for children.	Thu, 3/20/08 10:53 PM
 Find	<b>26.</b> I like easy access, clean well kept conditions. Lounge of Senior Center has helpful staff and usually has fresh flowers. Sometimes the classroom heaters are not working - but usually do.	Thu, 3/20/08 10:50 PM
 Find	<b>27.</b> My child attends Children's Corner which is a tenant at Hillview Center. We LOVE Children's Corner. The facilities are old though and could use upgrading. We LOVE the Los Altos Library. For theater, I generaelly go to the Bus Barn a few times a year. I go more often to the Mountain View Center for Performing Arts because the center is so much nicer and they get a wider diversity of programs.	Thu, 3/20/08 8:58 PM
 Find	<b>28.</b> Our child attends Children's Corner. We love the program and the teachers, but it would be nice if the facilities were a little more up to date.	Thu, 3/20/08 8:07 PM

 Find	<b>31.</b> Library is excellent but seems crowded with items and people. I work for the Friends of the Library on book sorting. Room 7 is very inadequate for us...VERY crowded.	Thu, 3/20/08 11:20 AM
 Find	<b>32.</b> Regarding the Library, it provides access to what is important to me:information, books and materials, in pleasant surroundings, staffed with knowledgeable and customer-oriented librarians and library support staff. The Library actively makes folks aware of its services, constantly reaching out to the local community. I use other services infrequently.	Thu, 3/20/08 10:54 AM

 Find	<b>36.</b> I love having a preschool in the hillview center . I have sent one child there for 3 years and one other child is presently attending school I love the history museum and I love using the library.	Wed, 3/19/08 5:13 PM
 Find	<b>37.</b> Love the library children's section. I like the self checkout. I'd like to see RFID used to further ease check-in and out.	Wed, 3/19/08 1:39 PM
 Find	<b>38.</b> i wish the library had longer hours.	Wed, 3/19/08 1:35 PM
 Find	<b>39.</b> I like Children's Corner. As a former kindergarten teacher I find the school to be a strong building block to my children's future education. I know my children will be prepared when they enter Los Altos elementary schools.	Wed, 3/19/08 10:57 AM
 Find	<b>40.</b> We sent our children to CHILDREN'S CORNER Preschool daily. We need this service, and we need more space for the preschool. There are rooms being used for storage, or only used occasionally. We would like to see more efficient use of the 30 or so rooms at Hillview Community Center for Park and Rec, and more space for the RENT PAYING LONG TERM TENANTS, CHILDREN's CORNER. Your service is much needed, we look forward to your improvements.	Wed, 3/19/08 10:17 AM

With 3 young girls, we have already explored the parks and got a library card within weeks of arriving in town. I have signed the girls up for summer camps but have yet to use these services hence the "do not know" response above.	Tue, 3/18/08 9:04 PM

They are an excellent service and I would hope they would be included in the list of things that is part of the master plan, the park by the police station and the one by the ball park are both for very small kids. Would be nice to have a place 6-8 year olds could play.	Tue, 3/18/08 5:58 PM
 Find	<b>48.</b> My children attend Children's Corner which is situated in Rooms 5, 6 and C of Hillview Community Center. The heart of our program lies in the Hillview Community Center.	Tue, 3/18/08 3:54 PM
 Find	<b>49.</b> My son attends the Children's Corner Preschool 2x week. In August, he will attend the school 5x week. Children's Corner is a wonderful preschool program and serves many families in the Los Altos community and beyond. We are very happy with his program and plan to have him attend	Tue, 3/18/08 2:20 PM

until he is old enough for Kindergarten (Fall 2010). We are also expecting a 2nd child very soon and will enroll him in pre-school when he is about 2 years old (Spring 2010).

- 50.** Children's Corner preschool is a fabulous preschool program that serves many families in this community. Please make a place for it at the new community center! There is a long waiting list for this program, which is evidence of a great need for quality preschool programs in this area. The library is also fantastic and our family relies heavily on it. It has wonderful resources and always seems to be very proactive in providing new materials and resources. Tue, 3/18/08 2:17 PM

- 51.** Our children go to Children's Corner - please make sure it is kept in the new plans. Tue, 3/18/08 2:04 PM

- 52.** We also attend Children's Corner preschool. Tue, 3/18/08 1:16 PM

- 53.** CHILDRENS CORNER IS NOT LISTED ON THIS LIST AND THIS IS A HUGE PRIORITY FOR OUR FAMILY, PLEASE INCLUDE THEM IN THE PLANS MOVING FORWARD. Tue, 3/18/08 12:52 PM

- 54.** The Children's Corner facility has been very important to my grandchildren's development in a positive way. I would hope that their facilities remain an integral part of the Los Altos Community Center plan. I would also like to express an opinion on the inclusion of the proposed community pool at this whole community wide center. Having everything in a central location is of value to all who use the facilities. Rather than drive to numerous locations one would be able to take advantage of all that Los Altos has to offer often. Tue, 3/18/08 12:48 PM

- 55.** Library has a wonderful children's section. And online management of my account is very good. We've always found many interesting activities that are offered through the park and recreation (e.g. soccer, etc.). The History Museum is simple, but we really like the train display and other displays with local flavor. At Hillview Center, our children attend Children's Corner preschool, which is a great program. Tue, 3/18/08 12:36 PM

- 56.** Our use of the Hillview Center has been exclusively around Children's Corner Pre-School. Our first child is in his 2nd year at the pre-school, and will continue through August of 2009. Our second child will start there in September of 2008 and will continue through August of 2011. We very much appreciate the education and development that our first child has receive. The location has been great, as it also allows for us to take greater advantage of the playgrounds, library, and the museum around school hours, since everything is adjacent to one another. I would like to see the Hillview Center facilities updated to more complement the condition of the other facilities, like the library and museum. Tue, 3/18/08 12:25 PM

- 57.** The Monthly Lacy dances are an exceptional asset for our communities. The facility could better support teen uses. Improve restrooms and floors and windows. The library deserves updated space with many more meetings rooms for teen group projects. Tue, 3/18/08 12:19 PM

- 58.** please keep any childcare and preschools programs. Tue, 3/18/08 11:30 AM

|  Find   | <b>59.</b> Two of our three children at at Children's Corner. We love the program they provide and the convenience of access for us. We will be sending our third child there in 2009, so we hope that the city plans for keeping Children's Corner at this facility! We are also very pleased with the new play structure next to the baseball field! What a creative use of the space. Thank you.   | Tue, 3/18/08 11:11 AM |
|  Find   | <b>60.</b> We have a 2.5 year old and a baby on the way. We absolutely love the library and the parks. Our 2.5 year old daughter goes to the Children's Corner Preschool in Hillview Center, and absolutely loves it. From my conversation with other parents who enrol their children in Children's Corner, everybody seems to love it. Also, I belong to the PAMP group, a parents' club with over 2000 members. The PAMP group members have very positive feedback on the staff and the nurturing environment that Children's Corner offers.   | Tue, 3/18/08 11:09 AM |
|  Find   | <b>61.</b> Hillview center is old but servicable. I'm torn between wanting it to be updated vs having the use of the facilities disrupted.  | Tue, 3/18/08 10:37 AM |
|  Find   | <b>62.</b> Library service is great. Every time I have asked for assistance, the people are very helpful. The WEB site is also a nice service. Hillview Center is old and tired. City offices are outdated.   | Tue, 3/18/08 10:31 AM |

|  Find  | <b>64.</b> I use Children's Corner preschool on a twice a week basis. It is an amazing preschool, and provides a great service to the community. As a local public school teacher, I have recommended this school to many families. It is the only youth program I use in Los Altos. I feel that for other activities for my children, other neighboring cities have better services.   | Tue, 3/18/08 10:24 AM |
|  Find | <b>65.</b> Love the library -- great space for children. We attend Children's Corner at Hillview Center; we have nothing but good things to say about that program, but the facilities could use some work -- not just those utilized by Children's Corner, but those serving the other programs as well.   | Tue, 3/18/08 10:12 AM |
|  Find | <b>66.</b> The Library is a really fantastic resource, with great children's storytime activities for kids 3x per week. I'd love to see the programs & activities expanded. The library facility itself seems pretty good, but it may need to be updated in the next several years. We also love the park/playground resources -- and would love to see those expanded even further, with additional play structures, etc.! We have 2 young kids & live near downtown Los Altos, so I love having the playground nearby. Most importantly, we attend Children's Corner at the Hillview Community Center, and we absolutely LOVE the preschool program. The teachers & curriculum & community are just fantastic. It is critical to ensure that Children's Corner remains part of the future plans for the community center. The facilities are a little dated and run-down, so it would great to see some renovation there. | Tue, 3/18/08 10:12 AM |

 Find	<b>75.</b> The SERVICES provided are generally quite good, it's the facilities that are lacking, in the Hillview Center, particularly. Children's Corner is one of the best preschools around, and also has one of the worst (city-provided) facilities. Likewise, the Bus Barn has good stuff, but not a good facility.	Mon, 3/17/08 8:15 PM
 Find	<b>76.</b> I take exercise classes at the Hillview Center and also go to the used book sales at the senior center. We need more nice facilities that can host events and gatherings. Bus barn is one of the best features of the City. It should be enhanced and expanded.  Find	<b>84.</b> Bus Barn and Los Altos Youth Theatre are the two programs I most enjoy in Los Altos. The quality of acting, the incorporation of all members of the community and the dedication of the providers is extraordinary.	Mon, 3/17/08 9:35 AM
 Find	<b>85.</b> The city parks are old and need to be updated. The good thing is that some of the parks have been updated and are nice. The youth programs needs to have an internet sign up option. The programs are nice. The real dissappointment with them is the facilities. They are embarrassing and we have not signed our children up for some classes just because of it. There is no reason a community that has as much money as we do (i.e. the household income) can not afford to have modern if not first class facilities. Hillview is awful.	Mon, 3/17/08 8:59 AM
 Find	<b>86.</b> 1. The library's children's area is wonderful. We love the large space allocated to the children and the great collection of books. 2. We use the soccer field almost daily and it is important to us that it stays exactly in its current location on Hillview Avenue. It is important to us that it remains real grass and not synthetic. 3. We often walk through the grounds of the History Museum, the orchard, the baseball field, and the park areas. We play in the fields. We really enjoy the open space in the community center and we don't want to see it overdeveloped too densely.	Sun, 3/16/08 9:58 PM

-  **95.** Bus Barn is great, but they could sure use an improved theater. The Library is great, but crowded. Sat, 3/15/08 5:26 PM
-  **96.** the library help is usually pretty nice and helpful. I appreciate the talks that are open to the public, but get frustrated when it gets full and you can not get in. the public works department is not very customer friendly. I had complained about an issue with the hopes of getting some assistance but just got the run around with no response and it continues to be a problem. the garbage disposal prices are one of the most expensive in the area and offer some of the least amount of services. I hope they go with the less expensive company that is willing to offer more services. It is absurd that we only get recycling every other week!!!! Sat, 3/15/08 5:09 PM
-  **97.** Facilities seemed outdated. Employees of city services sometimes are not very customer service oriented, not willing to go outside of their department to help citizens with questions. |  Find   | <b>114.</b> The library parking is inadequate and DANGEROUS! A driveby mail box type for returning books would be a great help, plus more parking. And doing something with the drop off parking spots that are so abused because there is no other parking.   | Fri, 3/14/08 5:28 PM |
|  Find   | <b>115.</b> The services are all fine. The classrooms at Hillview could be better heated (heater is very noisy and erratic). BusBarn could be better heated, also. I understand the the City offices are overcrowded, but this has had no impact on me. I don't have children around anymore to use LAYC, but I think a new youth center would be very good for the City. Also, we used to use the Hillview fields a lot when our children played soccer and baseball.   | Fri, 3/14/08 4:48 PM |
|  Find | <b>116.</b> LIBRARY services are outstanding; but I am concerned about the open use of the internet in the public institution. I have noticed on numerous occasions with my daughters the viewing of pornography. This must stop as a publically funded agency and it prevents me from using the library more. PARKS I enjoy walking in the green parks, playgrounds and open fields. I like that they are not covered with basketball courts and skate parks---but rather green fields open for organized sports or play. I like taking my dog for a walk and greeting the community of all ages. I love the soccer field, baseball field and walking exercise area and walking area around the history house with plants/walkways. HILLVIEW CENTER - I'm not sure what should be done with this property. Seems best used for Community Club meeting, Adult Education, Arts/Crafts. I think we should consider modeling the center property after the Allied Arts Center in Palo Alto. Keeps to the feel and use of the community. Once that orchard is paved over, built over, we will lose an integral part and symbol of the history of our town forever. Talk of placing a community pool, expanding facilities, manicuring, sculpting etc is NOT forthinking. We have a finite population within our city limits and it has been well served with the facilities that exist since the remodel and construction a few years ago. LESS IS MORE....LEAVE IT ALONE! |  Find | <b>168.</b> I only use the Parks to walk my dog - Lincoln, Shoup and Redwood Grove are the only areas I frequent. There should be an "off leash" dog area somewhere in the city. I think Library users should be charged fees for certain services to provide additional income. This would include check out of videos - it cost's \$4.64 to check out a video from Blockbuster, but the library lets people take up to 10 videos at any time for no charge. We appealed a 2 story monster home development in our neighborhood and I was shocked to find out it would cost \$1500 for the appeal, but if the protesting party had been within the "written notice" area (described to me by a planning department member as the houses most closely sited to the disputed site, and this usually included 2 houses on all sides of the protested project, the fee was only \$500. This seems completely unfair, since there is a Yellow Public Posting on the site announcing the proposed project to the ENTIRE neighborhood. When questioned on this at a Council meeting, Curtis Cole stated that the city offered a "discount" to neighbors who would be most directly impacted by the project. This seems like complete BALONEY and unequal treatment for other members of a neighborhood that want to protect the charm and character of their neighborhood. Subsequent to losing our appeal, we implemented a single story overlay on the project. The cost of the process was \$4075, plus we had to pay for stamps/envelopes for 2 mailings to homes within 500' of the boundaries of the neighborhood seeking the overlay. This seems like an excessively high fee, especially since now the City Council has categorically stated that it will not deny a 2 story monster home in a consistent character, single story neighborhood unless the single story overlay is in place. I feel that our citizen's right to protest such projects under the 2002 Los Altos General Plan, and to have reasonable expectation that the protest would be supported by Council , is a significant reduction in our ability to protect consistent character neighborhoods. Since we are forced into having a "single story overlay", the fees should be much lower, since it seems to me that the neighborhood must do most of the work. I have tried many times to get street sweeping changed to a day when there is no trash pick-up as the containers prevent the sweeper from doing its job. Its a waste of tax payers money. Likewise, I don't expect to use the Senior Center until August, but I do expect to use it. And I do want the programs to be there.  Find	1. I like that the community center is small and doesn't stand out. I also love that it maintains the historical apricot orchards around it. But as such, it doesn't stand out as a place to gather, particularly. I don't know that I'd want to change that.	Sat, 3/22/08 5:16 PM
 Find	2. There is not much involvement with the center. The Youth Center does not attract kids, the senior center does not attract many seniors. Hillview is rundown.	Sat, 3/22/08 2:41 PM
 Find	3. The Hillview Community Center is old and run down and is an embarrassment to our residents and city. It has never made sense to me that Los Altos is a town with affluent residents and yet our community center is in disrepair.	Sat, 3/22/08 1:19 PM
 Find	4. The Community Center must be designed to meet the needs of the community as well as the need of the agencies that use the facility. The current center does not draw people to use the center for activities. Any design should consider combining services with other City facilities (i.e. program/meeting rooms, classrooms, auditorium, ...	Sat, 3/22/08 12:01 AM
 Find	5. Probably not an entirely "fair" observation -- but to be honest I don't see the community center as an active participant / evangelist for the community. I see them as yet another means of raising money for the city while providing a service that could be gotten elsewhere.	Fri, 3/21/08 9:28 PM
 Find	6. Not many families gather there because there are no events, or they don't know about it. If there were a compelling reason to go (i.e. the only swimming pool in our area), we would be there.	Fri, 3/21/08 2:09 PM

 Find	13. I don't know how the Center would have a positive impact on community leadership, therefore, I've left the answer blank. I don't see any signs of the Center having a positive impact on local economy/businesses - it may be happening, but I'm unaware.	Wed, 3/19/08 8:06 PM
 Find	14. Needs facilities improvements	Wed, 3/19/08 1:48 PM
 Find	15. The facilities are so old and decrepit that people go to other communities to use their services. The most obvious one being the Mt.View Senior Center.	Wed, 3/19/08 12:30 PM

 Find	<b>16.</b> There are a growing number of families who need to send their children to preschool, and Children's Corner provides that need. Children's Corner has really build a great sense of community for our family.	Wed, 3/19/08 10:20 AM

 Find	<b>23.</b> Having just moved to Los Altos we have not been introduced to the community center... in fact, I was not aware that there was such a center and am still not aware of why I would go there.	Tue, 3/18/08 9:07 PM
 Find	<b>24.</b> Dont see how the center impacts local business. And given the older state of Hillview center, there seems to be a need of leadership there.	Tue, 3/18/08 6:01 PM
 Find	<b>25.</b> The Hillview center is so old and in such need of repair that it reflects poorly on the city.	Tue, 3/18/08 4:56 PM
 Find	<b>26.</b> We really only use the library.	Tue, 3/18/08 2:45 PM
 Find	<b>27.</b> As stated above, Children's Corner is a gem to the preschool community in Los Altos. Having the library, museum, parks, and programs centrally located is a tremedous asset to giving Los Altos a small town feel and building community spirit. My family can easily spend an afternoon at the community center engaging in a variety of activities, all within walking distance of our home. Still, upgrading the facilities (especially Hillview) and providing new activity options would further achieve these goals.	Tue, 3/18/08 2:23 PM
 Find	<b>28.</b> Has a great location next to the library and Bus Barn and the Hillview Community Center looks run down and parking is inadequat.	Tue, 3/18/08 1:17 PM
 Find	<b>29.</b> NOT having an impact on Small Town Atmosphere because the facilities appear simply delapidated lacking character unique to a town with farming/railroad beginnings. Preserving apricot orchards is obviously signicant to our Small Town landscape. Our historical tradition is lost to most visitors because it's inside the museum. Outdoor interactive displays would improve our appreciation for historical traditions unless the displays are exaggerated or contrived. The Community Center, in my view, doesn't need to contribute to the local economy. That's the purpose of downtown retail. What the Center needs is very clear and accessible walkways to it from the downtown. San Antonio is a major obstacle and can be overcome with better connected passages. This would be my first design suggestion.	Tue, 3/18/08 12:36 PM

 Find	<b>32.</b> Again, it's just a bit run-down. Doesn't need to be flashy, but the buildings feel neglected.	Tue, 3/18/08 10:14 AM
 Find	<b>33.</b> The library is the reason we visit the current community center. It would be nice to have more than one thing of interest for us at a community center site. Many of our children must travel this route to the Middle and Highschool. Our roads are a wreck and many of the crosswalks and stop markings are so washed out that they are not visible in poor weather nor in bright sun. Please make note of the faded STOP markings at Kent and either Highland circle or Yorkshire, (the exact crossing escapes me at the moment)which runs behind Montclair school. Also, Arboretum at Deodara is a death trap for cars and cyclists as there is no stop for motorists coming downhill on Arboretum. Those crossing Arboretum from the South cannot see around a large sequoia and a recently planted hedge of pitosporum. Several children have nearly been run down by morning construction traffic.  Find	<b>98.</b> I feel that Los Altos is a small town where the citizens are focused on their local neighborhoods and are very apathetic, or ignorant, about what is going on in the town overall. There is a lot of concern, from my discussions with many friends, about the continual push to "overdevelop" our neighborhoods, downtown, etc. Yet these people are unwilling to get involved, attend council meetings, etc., so a small group of people seem to wield an undue amount of influence on the development of our town. I feel that City Council has not taken a leadership position in trying to get input from the "silent majority" of Los Altos' population. Hewlett-Packard was successful with their "walking around" management style yet how often have I ever seen a Council member, the city manager, one of the department heads, etc. walking around a neighborhood, or having a "coffee klatsch" in a room at the Hillview Center to just gather input from the citizens??? I don't EVER recall this happening, except when people are running for election.	Tue, 3/11/08 11:14 AM
