

ORDINANCE NO. 2016-425

**AN INTERIM URGENCY ORDINANCE OF THE CITY COUNCIL OF THE
CITY OF LOS ALTOS ESTABLISHING A TEMPORARY MORATORIUM ON
NEW DEVELOPMENT IN THE EL CAMINO REAL CORRIDOR AND
DECLARING THE URGENCY THEREOF, TO TAKE EFFECT IMMEDIATELY**

NOW THEREFORE, the City Council of the City of Los Altos does hereby ordain as follows:

SECTION 1. FINDINGS AND PURPOSE.

On October 4, 2016, the City Council considered the adoption of this Ordinance at a duly noticed public meeting, and on the basis of the record thereof, finds and determines as follows:

- A. Recent proposed development projects located in the El Camino Real Corridor have made it apparent that the City of Los Altos (“City”) should evaluate the continued effectiveness of the zoning regulations or design standards, as well as possible amendments to the General Plan, PUD’s and Specific Plan within this commercial thoroughfare.
- B. The El Camino Real Corridor study area (“El Camino Real Corridor”) includes the following zoning districts: Commercial Thoroughfare (CT), and two sites that have Planned Unit Development (PUD designations with underlying CT zoning, specifically 60-PUD/C2 and 06-PUD/C2. The El Camino Real Corridor is depicted in the attached map, attached hereto as Exhibit “A” and incorporated by this reference.
- C. The City intends to study, within a reasonable time, the adequacy of the El Camino Real Corridor zoning regulations or design standards, as well as possible amendments to the General Plan, PUD’s and Specific Plan. The City Planning and Transportation Commission, the City Council, and the residents of Los Altos require a reasonable, yet sufficient period of time to consider and study legally appropriate and reasonable policies regulating the development in the El Camino Real Corridor. Given the time required to undertake adequate study and planning, the City Council finds that this Ordinance is necessary to prevent new development that might conflict with the City’s contemplated new El Camino Real Corridor zoning regulations or design standards, as well as possible amendments to the General Plan, PUD’s and Specific Plan. The City Council has the authority to adopt an interim ordinance pursuant to Government Code Section 65858(a) in order to protect the public health, safety, or welfare.
- D. Accordingly, the City Council finds that there is a current and immediate threat to the public health, safety and welfare presented by potential new development in the El Camino Real Corridor. The issuance of any use permit, building permit, variance, subdivision or any other applicable permit, approval, or entitlement for use for development within the El Camino Real Corridor could result in new development that conflicts with the proposed changes to zoning regulations or design standards, as well as possible amendments to the General Plan, PUD’s and Specific Plan for the El Camino Real Corridor and may

threaten the public health, safety, and welfare. This Ordinance does not apply to applications that have been approved or are ‘deemed complete’ as of October 4, 2016. Due to the foregoing circumstances, development of the properties located within the El Camino Real Corridor before the City can amend or modify the zoning regulations or design standards, as well as possible amendments to the General Plan, PUD’s and Specific Plan within the El Camino Real Corridor poses an immediate threat to the public health, safety, and welfare. This Ordinance is necessary as an urgency ordinance for the immediate preservation of the public, health, safety, and welfare within the meaning of Government Code Section 65858 and therefore, shall be passed immediately upon its introduction and shall become effective immediately upon its adoption.

- E. There is an urgent necessity, for the City to adopt this Ordinance, which prohibits issuance or approval of any use permit, building permit, variance, and subdivision or any other applicable permit, approval, or entitlement for use or development within the El Camino Real Corridor.

SECTION 2. SCOPE AND APPLICABILITY OF MORATORIUM.

This Ordinance prohibits the issuance or approval of any use permit, building permit, variance, subdivision, or any other applicable permit, approval, or entitlement for use for development within the El Camino Real Corridor. This Ordinance does not apply to applications that are “deemed complete” as of October 4, 2016.

SECTION 3. COMPLIANCE WITH THE CALIFORNIA ENVIRONMENTAL QUALITY ACT.

The City Council finds that this Ordinance is not subject to the California Environmental Quality Act (CEQA). Pursuant to Section 15060(c)(2) of the CEQA Guidelines, the adoption of this Ordinance will not result in a direct or reasonably foreseeable indirect physical change in the environment because it prevents changes in the environment pending the contemplated study and review of the El Camino Real Corridor zoning regulations or design standards, as well as possible amendments to the General Plan.

SECTION 4. SEVERABILITY. If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance, including the application of such part of provision to other persons or circumstances, shall not be affected thereby and shall continue in full force and effect. To this end, the provisions of this Ordinance are severable. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be held unconstitutional, invalid, or unenforceable.

SECTION 5. PUBLICATION. This Ordinance shall be published as provided in Government Code section 36933.

SECTION 6. EFFECTIVE DATE. This Ordinance is declared to be an urgency measure adopted pursuant to the provisions of Government Code section 65858. As set forth in the findings above, this Ordinance is necessary for preserving the public safety, health, and welfare. Pursuant to Government Code section 65858, this Ordinance is

effective immediately and shall be in full force and effect for forty-five (45) days from the date of its adoption or until November 18, 2016. After further notice pursuant to section Government Code 65090 and a public hearing, the Council, by four-fifths (4/5) vote, may extend the effectiveness of this Ordinance for ten months (10) months and fifteen (15) days in accordance with the provisions of Government Code section 65858(a).

The foregoing ordinance was passed and adopted by the City Council of the City of Los Altos at a special meeting held on October 4, 2016, by the following vote:

AYES: BRUINS, PEPPER, PROCHNOW, SATTERLEE
NOES: NONE
ABSENT: MORDO
ABSTAIN: NONE

Jeannie Bruins, MAYOR
