---

**BACKGROUND**

The Parks and Recreation Commission's 2014 Work Plan includes the goal "Community Feedback on parks and recreation. Two of the assignments in support of this goal are attending the downtown Los Altos Farmer's Market and the Summer Concert Series to conduct community outreach at the information booths. A third assignment is to attend the Park Appreciation Days in July and August.

**DISCUSSION**

**Summer Concert Series**

An information booth at each concert will have Recreation program brochures, park information, giveaways and photos of programs. This is an excellent opportunity to meet residents and receive input on parks, programs and any other topics of interest. All concerts run from 6:30-8:00 pm.
