AGENDA ITEM #3

AGENDA REPORT

TO: Parks & Recreation Commission
FROM: Manny Hernandez, Staff Liaison
SUBJECT: Potential Addition of Bocce Court in Los Altos

RECOMMENDATION:

Discuss feasibility of potential Rotary funded bocce courts in Los Altos

Background

A representative for the Rotary Club of Los Altos recently discussed with the City the potential for additional bocce courts being installed somewhere in Los Altos. This included the idea that the Rotary Club would fund and/or install these courts.

Discussion

The proposal from Rotary to install 1-2 bocce courts somewhere on Los Altos public land is unofficial, but the Parks and Recreation Commission would like discussion about the feasibility of this project. Discussion would include details on the need for additional bocce courts, location of the courts, and peripheral site work.
