Priority 1 and if funds prove sufficient first of priority 2 would be done with grant funds and initial CIP
Remaining priority 2 and priority 3 would be submitted as a further CIP
Priority 4 replaced with recommended model as current equipment fails, etc.

HT = Halsey Taylor

Model 4420BF1UDB has pedestal with bottle filler at top, spigot over bowl at middle, pet bowl at ground

MDF = Most Dependable Fountains, Inc.

Model 10495 WM has bottle filler to left of traditional fountain mounted on backplate
