

DATE: November 8, 2017

AGENDA ITEM # 2

**TO:** Parks & Recreation Commission

**FROM:** Manny A. Hernandez, Staff Liaison

**SUBJECT:** Hillview Community Center Project Update and Review of Commission  
Input to the Project Task Force

---

## **BACKGROUND**

At its August 16 Meeting the Parks and Recreation Commission discussed input regarding the Hillview Community Center project that would be provided to the Community Center Task Force. This input was compiled as a memo to the Task Force.

At its September 13 meeting, the Parks and Recreation Commission again discussed input that could be provided to the Community Center Task Force. This input was compiled and approved by the Commission and shared with the Task Force.

## **DISCUSSION**

The mission of the Hillview Community Center Project Task Force is to hold public meetings to gather community input and provide a recommendation to the City Council on the interior space allocation and exterior design and layout of the future Hillview Community Center. They have met eight times since June 2017 and have two meetings scheduled in November. The Task Force also met as part of a study session with the City Council in September. The two November Task Force meetings are scheduled for November 7 and November 30. A recommendation from the Task Force is scheduled to go to City Council on December 12.

The Task Force invited and received input on these items from all City Commissions. They have also received public input at their meetings and via email. The Parks and Recreation Commission will review their previous recommendations to the Task Force and decide if any additional recommendations should be submitted.
