AGENDA ITEM # 3

TO: Parks & Recreation Commission
FROM: Manny A. Hernandez, Staff Liaison
SUBJECT: Parks Plan - Update

BACKGROUND

In 2012 the City of Los Altos created a Parks Plan. The purpose of the Parks Plan is to create a clear set of goals, policies and objectives that will provide direction to the City Council and City staff for the development, improvement and enhancement of the City's park system for the next twenty to thirty years.

The Parks Plan will continually evolve through continued planning efforts and may require updates over time, as unforeseen issues may arise or as the Los Altos community grows and changes.

DISCUSSION

At its June 14th regular meeting, the Parks and Recreation Commission discussed the possible need to update the City of Los Altos 2012 Parks Plan. Commissioner Ellerin volunteered to begin exploring the need for updating or creating a new Parks Master Plan. Commissioner Ellerin will provide an update on progress.
