AGENDA ITEM # 2

**TO:** Parks & Recreation Commission  
**FROM:** Manuel A. Hernandez, Commission Liaison  
**SUBJECT:** Park Upgrades – Playground installation updates

---

## **BACKGROUND**

At the May 2017 Parks and Recreation Commission meeting the Commission reviewed and discussed the capital improvements that were to be submitted for the five-year CIP budget. On that list for fiscal year 2017/2018 was the replacement of two City-owned playgrounds. The playgrounds are located at the San Antonio Club and the playground in front of the Los Altos Youth Center.

Currently, the replacement of these playgrounds is on schedule to be completed by the end of the 2018 summer.

## **DISCUSSION**

As part of the process of planning and replacing, a playground layout diagram and computer images are created prior to the purchase and installation. These layouts and computer images are being shared with the Parks and Recreation Commission for feedback and as an update.
