AGENDA ITEM # 3

TO: Parks & Recreation Commission
FROM: Manuel A. Hernandez, Commission Liaison
SUBJECT: Halloween Movie in the Park

BACKGROUND

In October, 2017 the Parks and Recreation Commission coordinated an outdoor movie in the park event at Grant Park. The movie theme was Halloween. The 2017 movie was successful, as over 120 attended the 2-movie event. The Parks and Recreation Commission has decided that in 2018 they would once again coordinate a Halloween movie in October. The 2018 Halloween Movie event has been scheduled for Saturday, October 20 at Grant Park.

DISCUSSION

The Commission will discuss further details of the 2018 event in order to provide staff with the information needed to include in the Recreation & Community Services Fall Activity Guide. The information for the 2017 event was not included in the Activity Guide last year.

Items that need to be decided:

- Number of movies (1 or 2)
- Movie titles
- Start time
- Weather contingency plan
