AGENDA ITEM # 4

TO: Parks & Recreation Commission
FROM: Manuel A. Hernandez, Commission Liaison
SUBJECT: Farmer's Market Table Schedule

BACKGROUND

Each year the Parks and Recreation Commission hosts a table at the Farmer's Market in downtown Los Altos. At least two Commissioner's at a time are at the table for 2-hour shifts handing out information on Los Altos parks and recreation programs. The Farmer's Market allows free use of a table to the City once per month. Starting after the conclusion of the Summer Concert Series, the Commission usually picks one date in August and one in September.

DISCUSSION

The Commission should propose dates for attending the Farmer's Market so staff can submit the request. A preliminary schedule for Commissioner attendance should also be discussed.
