DISCUSSION

At its April 8, 2014 meeting, the City Council considered two recommendations from the Public Arts Commission (PAC). The first was to replace Jeff Owen's *Tiempo* at Second and State Streets with his *Arches* for a two-year loan period. This recommendation was approved and *Arches* was installed on April 18, 2014. The second recommendation was a proposal to acquire the SFMOMA installation *Door Sculpture to Talk About the Idea of Different Possibilities You May Have to Process Your Life* ("Doors") and to move the piece to just south of the Chamber of Commerce building. The proposal was approved contingent on the community raising \$7,000. With the help of Chair McBirney, acting as a resident, and the Los Altos Community Foundation, the community portion was raised within 24 hours of Council's approval.

Laurel Iverson has tendered her resignation from the PAC citing personal commitments. A recruitment will be conducted to find a replacement.

The Annual Commission and Committee Training will be held on Tuesday, April 29, 2014 beginning at 6:00 p.m. in the Community Meeting Chambers at City Hall.
