AGENDA ITEM # 3

TO: Public Arts Commission

FROM: Jon Maginot, Staff Liaison

SUBJECT: FY 2015/16 – 2019/20 Capital Improvement Program

RECOMMENDATION:

Provide feedback on the FY 2015/16 – 2019/20 Capital Improvement Program

BACKGROUND

The City of Los Altos uses a five-year Capital Improvement Program (CIP) to manage its capital projects. Each year, the CIP is reviewed and updated as part of the annual budget process.

DISCUSSION

As part of the CIP review process, the Public Arts Commission (PAC) is asked to identify potential new projects for inclusion in the CIP. As well, the Commission is encouraged to review any existing projects related to Public Art in Los Altos. As part of this process, the Commission will prioritize each project against each other.

Once input has been received from each Commission, City staff will conduct a review and update the CIP based on City priorities and the input from the Commissions. The final CIP will then be presented to Council for approval.
