RECOMMENDATION:

DISCUSSION

At the October 23, 2014 Public Arts Commission (PAC) meeting, the Commission voted to extend the loan period for *Torso 3* an additional two years and to move the sculpture to a location in front of 199 First Street. After contacting the artist regarding his interest in extending the loan period, the artist indicated that he had a gallery interested in acquiring the piece and declined the City's offer to extend the loan period.

On November 25, 2014, the City Council approved the installation of *Jazzy* and *Dancing Moon Rollers* upon the recommendation of the PAC. Staff is working with the artists on the installation of these pieces.

At the October 23, 2014 PAC meeting, the Commission recommended installation of *Magic Garden* in Village Park. Since this location is within a park, the recommendation will be forwarded to the Parks and Recreation Commission (PARC) prior to going before the City Council. The decision made in October was too late to be included in the November PARC agenda and the PARC has cancelled their meeting for December. Therefore, it is anticipated that this recommendation will go before the PARC in January.
